6. Include your resume.

Indicate experience you have working with children and/or youth, relevant work experience, volunteer experience, honors, clubs, GPA (if 3.0 or above), other internships and major projects and papers you have completed.

7. Include your Chicago Public School (CPS) Health & Background forms or send them separately, to Chicago Center. These forms are available in the Applications Checklist on our website.

*All your application forms, including your transcript and CPS health & background forms must be complete and sent to the Chicago Center before we can begin your Student Teaching placement process.*

*After we have notified you of your student teaching placement, we encourage you let us know when you are available to visit. All interviews and visits to your placement must be arranged through the Chicago Center, and in addition to a site visit, can include an interview. We are also available to give you a tour of where you will be living and your school's neighborhood.*
